A Look at Tonight's Game

Tonight the Tigers will be trying to even their season record as they host the RMAC champions from Pittsburg State in the opening conference encounter for both squads.

The Gorillas have won 10 straight games after dropping a 28-20 contest to the Tigers last season. They bring a 3-0 season mark into Lewis Field Stadium while FHS stands at 1-2.

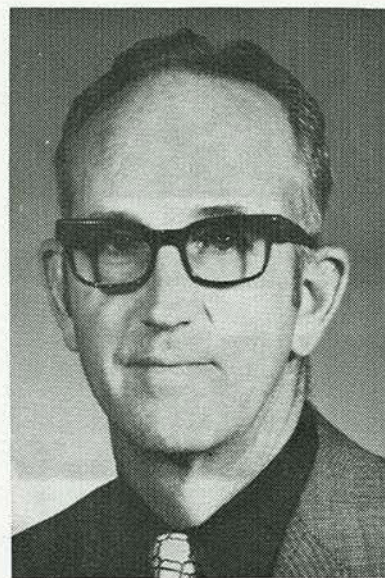

Only seven points have been tallied against the Pittsburg defense while the offense has rolled up 63 points. Their victories include a 33-0 shalacking of Western Missouri State, a 20-0 win over the University of Missouri, Rolla and a 10-7 squeaker last week with Southwest Missouri.

Standouts in the Gorilla offensive backfield to watch are fullback Steve Howard and halfback Albert Schmidt. The two runners have combined to account for more than half of their team's total yardage.

Howard, a sophomore, was selected last season to the first offensive unit of the RMAC as well as the District 10 NAIA. He also received honorable mention All-America recognition by the NAIA.

Last week Tiger quarterback Jonathan Douglas broke his own single game pass completion record of 16 by connecting on 18 aerals for 236 yards. He also tied his mark of 37 passes attempted in a game. The mini-sophomore (5-8, 160 pounds) is now only nine yards away from establishing a new standard in career passing yardage. The present mark of 1,714 was set by Bob Johnson during the 1963-1966 seasons.

Split end John Woodworth broke two pass receiving records last Saturday. He caught the ball 15 times for 200 yards which broke marks he set last year. With 17 more grabs the junior can break the career pass receiving record set by Dennis Spratt, 1967-1970.

TOM LESTER, Gorilla head coach, was named NAIA Area 3 and District 10 "Coach of the Year" in 1970. In his four years as head mentor at Pittsburg he has posted a 24-14-2 record. Last season his squad compiled a 9-2 overall mark.

Muscles alone aren't enough.

Even the toughest pro needs protection. Shoulder pads, hip pads, helmet—with these, a player can give the game all he's got, without fear of injury.

Life is much the same. Good health is important, but to get the most out of life, you need protection, too. That's where Living Insurance comes in. It can give you the security of knowing that your family will be protected, if you die. And, it can provide a reserve of funds for emergencies, education, retirement. To find out more about Living Insurance, call your Man from Equitable, today.

Our '72 wagon tailgates go up, down, sideways, slideways and one even disappears.

We've got five different kinds of wagons. One for every kind of wagon buyer.

Wagons with different kinds of tailgates especially designed for convenience. Including one that vanishes—the window into the roof, the gate under the floor. Out of sight. Out of your way.

Wagons that seat four, six, eight, nine or as

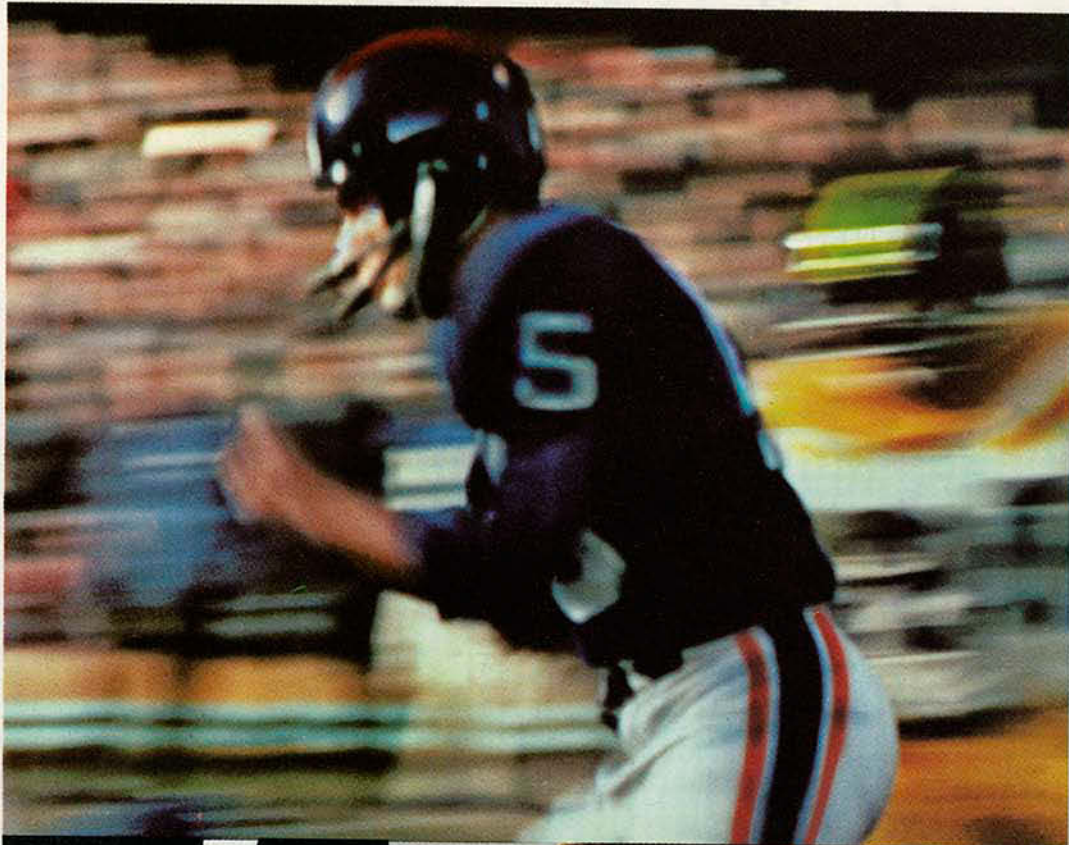

many as twelve. If you like, our Sportvan can even be converted to sleep up to six. We're serious when we say we want your 1972 Chevrolet wagon to be the very best wagon you ever owned.

Cage Prospects Show Promise

Recruiting is an important part of any college athletic program and FHS's head basketball coach Chuck Brehm and assistant Bud Moeckel spent most of their off-season time finding young players to strengthen their 1971 squad.

As a result of the coaches' recruiting efforts, six talented freshmen were signed to RMAC basketball letters of intent.

Brent Frack, 6-5 postman from Ingalls, compiled 719 points last season to lead all Kansas high school scorers with a 29.9 per game average. He also grabbed 420 rebounds during the 1970-71 campaign. He was named to the Santa Fe Trail League first team and the Kansas Basketball Newsletter (published at Wichita State) picked him as one of the top five in 1-A schools. He was selected second team all-state by the Wichita Eagle and third team by the Topeka Daily Capital.

Larry Clark, Nickerson product, averaged 15 points and 14 rebounds per game as a prep cager. The 6-5 center-forward was named to the second team in the Mid-Kansas League last year.

Greg Standish, Goodland, was named to first team all-league and all-state honorable mention as a junior. The 6-5 front lineman was also named to the Topeka Daily Capital all-state first team for 3-A schools his senior year.

Dave Wessling, St. Louis, Mo. native and graduate of Thomas More Prep in Hays, was named to the all-state tournament team and was selected for second team all-state honors by the Topeka Daily Capital. The 6-8 center led Thomas More with 22 points per game and 11 rebounds per contest last season.

Barton Snow and Ronald Crowell, both graduates of Manual High School in Denver, Colo., complete the list of Tiger basketball recruits. Snow, 6-3 guard-forward, was named to the first team all-Denver honor squad last season. Crowell, 6-5 forward, joined Snow on the all-city team his senior year.
